## PRE-CONFERENCE PROGRAM (JUNE 26-27): ENGAGING EDUCATION - LET'S MAKE IT HAPPEN

The „Engaging Education” pre-conference is organized as around the world, there are concerns about students’ abilities with 21st century skills, mental health problems, and lack of motivation to learn. Engagement is a common problem. Bringing together the science of positive psychology with best learning practices in education, IPPAed aims to help meet these challenges, supporting both the academic and mental wellbeing of students and educators.

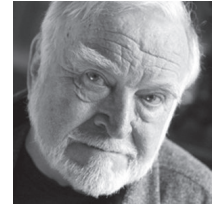

It’s not just a talk fest. It aims to be engaging - spotlighting a refreshing and engaging way to conduct a conference. It will include interactive, engaging sessions related to: Learning, Engagement and motivation, Well-being, Character, Resilience.
